Majority - Minority

"Gone passed upon by the Grand Jury
brother of the President himself"

Standard Republican - didn't know what
he would testify - via the short time
hope he made his contribution -
he was "overwhelmed" by the evidence

"Short in, semi-light in front"

"Two gunmen were seen"
Witness "talk with his hands"
Photographer - backside of head"
"Short fibers" matched his shirt"
"gun had fibers from a blanket"

2 eyewitnesses said they saw shots fired from
the Dal-Tex Building

2 witnesses heard shots fired in front behind
Commission "had pairing made" in Dallas!

Photographs, Thomas DeMaré . . .

Objective was to get Air Force bullets
from Cambodia pen behind the President

Three - "He was hurt & he
would" - reconstruction - plus
"No evidence of conspiracy"
"authorized" Kennedy ~~Report~~ statement
There he quote to having said "no
no conspiracy" was altering about
Intelligence & Government
Although no where from "conspiracy" - how
was such pen

---

from" both in the case to support
time" - Authorized only Thing
"called at 8:20 in the morning" FBI
"last full pen the upper floor into the
hall 1 2 Then. They confirmed the pen"
(opposite)

Jenna "Fraser, who managed here to
be her"

"A witness who looked up & saw Dennis
in the window"

"The Secret Service people were stunned
& looking at the with their mouths
